

Did you know?

Motorized vehicles prohibited on Sabal's open space

Residents and their guests are encouraged to use Sabal Point's "open space" (also known as the old golf course) every day of the year, but please leave your motorized vehicles at home.

The open space is intended for walking, jogging, bicycling and family recreation from sunrise to sunset. But no motorized vehicles – including golf carts and motorbikes – are permitted. Violations could result in a \$500 assessment against the homeowner and/or trespassing charges. Rules and guidelines are [here](#).
